We all know that Amazon is one of the largest online retailers worldwide. It sells a variety of products ranging from electronics, toys, furniture, apparel, jewellery, kitchen, mobiles, office appliances and much more. Not only it sells products of other brands but also creates consumer electronics like Kindle E-reader, Fire tablets, Fire TV, and Echo. Amazon also has retail websites for other countries that include the United States, China, India, the United Kingdom, Ireland, Germany, and many others. And now the most amazing thing about Amazon comes in the form of "Gift cards".
